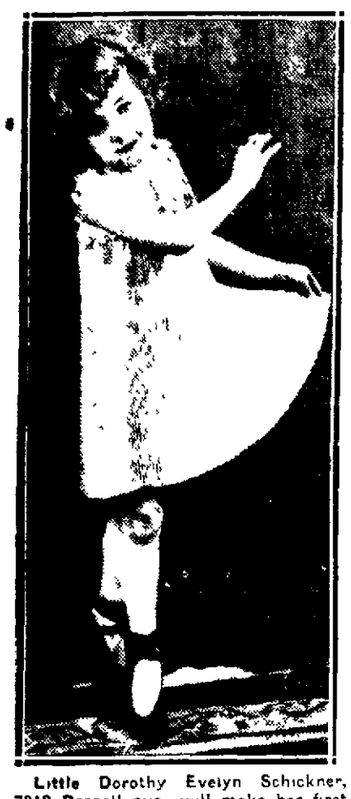
SOCIAL AND ORGANIZATION ACTIVITIES

Annual Play "Kathleen"

"Kathleen" a musical comedy of youth, will be Neighborhood House Woman's club's home talent offering this spring. The play, one of a series of annual productions, will be given Monday evening, March 31, and Tuesday evening, April 1, at Banner Blue Masonic temple, 67th and May sts.



Little Dorothy Evelyn Schickner, 7819 Parnell ave., will make her first appearance as a dancer in "Kathleen." She has been trained at the Elmar studio, under Margaret Ritchie.

Amid old "way down east" scenes, rustics and city folk are drawn into the dramatic role around a store robbery and a murder by mistake or other.

The title role "Kathleen" is played by Miss Madelyne Clark, while the part of "Michael Flynn" the autocrat of Kinnadie, will be taken by George Walker. Ella Landers will play the part of "Flossie Neverset," a vivacious village girl, Ella Holmstrom Hawes will be "Arabella Wickers" the lovelorn spinster, Will Barth will play "Sheriff Underduck," and Herbert Harold will take the part of "Teckley Bramble" the village curup.

"Ned Rollingston" the village favorite, is V. Walker. "Jimmie Stanton," Leonard Smith, and "Hans Swindler" the storekeeper, Earl Ross.

In addition to the principal speaking and singing parts, there is a "high-brow" butler, choruses of rustics and village lassies, summer hotel guests and others. Vocal solos will be sung by Dorothy Carahan, Marcella McCarty and others. Dance solos will be given by Harriet Gallagher, Dorothy Arnold and Vivian Favette. The play is being directed by W. Baker of the John B. Rogers company.

PLAN TO ERECT BIG BUILDING AT ASHLAND, 63RD

Syndicate Buys Historic Site for New Modern Structure

The historic Thomas Gaynor building, on the northwest corner of Ashland and 63rd sts., which is the site of the first building on the corner, now a shack in the alley back of the present building, is to be remodeled into an imposing structure of at least four stories, which will greatly improve the aspects of the corner.

Formation of the National Building corporation was completed Monday night at a meeting of fifty-three West Englewood business men in the West Englewood Trust and Savings bank. Organization of a syndicate to back the project was perfected. The building was recently purchased by the corporation for $225,000.

Incorporated for $300,000, the syndicate completed and sent in its application Tuesday for a charter. John E. Reilly and "Dad" Keegan served as a committee to nominate a board of directors, which was ratified Monday night and is composed of Edward C. Barry, Michael Maisel, William P. Knoche, Blair McElroy, H. S. Hertel, James H. Ryan and H. W. Elmore.

Mr. Knoche, on of the stockholders in the corporation, has been conducting a drug store in the building bought by the syndicate, and is one of eight persons having stores in the structure, the second floor of which is devoted to offices.

If possible efforts will be made to have the contemplated building occupied by a department store or possibly it will be devoted to small stores and offices.

The site on which the present building stands has a frontage of 90 feet on 63rd st., and extends back 125 feet on Ashland ave. Leases of tenants expire in May and the building of a modern structure will probably start in the summer or early fall.

MARQUETTE IMPROVERS CHANGE MEET PLACE

Reports concerning police protection, track elevation and better street car transportation on 63rd st., Kedzie ave., and 59th st., were read before the last meeting of the Marquette Park Improvement association held at Schaff's chapel.

It was decided to hold the next meeting on Monday evening, April 7, at the Eberhardt school, 65th st. and Homan ave. For this meeting a stereopticon lecture on street car problems will be furnished by the Chicago Surface Lines. Music will be furnished by local talent. Alderman Thomas F. Byrne of the 15th ward will give a brief talk and H. L. Kellogg of the All-Chicago Council will talk on what that organization is doing.

"Alderman Byrne is working hard with the officers of the association to secure the improvements we are after," said John Pollock jr., president of the association. "He is putting special efforts now on the securing of a new pumping station to be located at 49th st. and Western ave. When this new station is put into operation our section will have the best water pressure in the city of Chicago."

OPERETTA RECEIPTS TO EQUIP LIBRARY

Equipment for a musical library is the cause to which funds from "The Gypsy Rover" will be donated. The musical comedy operetta will be produced Monday evening, April 7, at Ascher's West Englewood theater under the direction of Mrs. Arthur Utesch, 1625 W. Marquette rd., in charge of the Drexel Park Choral club which is sponsoring the performance.

Sale of 1000 tickets is now in progress and the financial goal of the club is $1,000. Costumes are being made for the operetta as in the first of the three acts Gypsy attire will be worn, by fifty-eight men and women.

The theater orchestra will play the musical numbers.

TWO ROBBERIES AT SELFSAME CORNER

A purse containing $18 and keys was snatched from the hand of Mrs. Anna McMahon, 2509 W. Marquette rd., by a lone bandit who accosted her on Maplewood ave. near 65th st., Monday evening.

The same location was the scene of another robbery Sunday night and exactly the same amount of money was gained by two robbers, who held up Peter Budrick, 6345 Rockwell st.

DR. CHARLES W. GILKEY NAMES "THISTLE SEEDS" OF HIGH SCHOOL BOY

LINDBLOM CLOSES HI-Y "FOUR C'S" WEEK WITH ASSEMBLY OF 2,000 BOYS

Four "thistle seeds" that show a high school boy's rating are grades, the way those grades are secured, how games are won, and the kind of stories he tells, said Dr. Charles W. Gilkey, pastor of the Hyde Park Baptist church, speaking before 2,000 boys at Lindblom auditorium in an assembly that closed "Four C's" week at the school held under the auspices of the Hi-Y club last Thursday.

The "Four C's" of the Hi-Y are clean speech, clean sport, clean scholarship, and clean living.

The story of the old whaler off Cape Cod sailing from New Bedford, Mass., who, seeing three thistle seeds drift past him as he stood at the wheel one beautiful and balmy morning, sensed the danger and ordered in the sails just in time to prevent the boat from being wrecked by the heaviest hurricane the old skipper had ever seen in forty years at sea, explained Dr. Gilkey's use of the thistle seeds as an example.

"What saved that crew was something more than luck," said Dr. Gilkey. "It was brains to see what the thistle seeds meant plus the grit of the captain to order in the sails regardless of the jibes of the crew, who could see nothing wrong with the blue sky.

"I've lived among university and high school students for a good many years and watched the thistle seeds blowing around. Some people see them and some get hit by the hurricane.

"I can tell you what this Hi-Y club is in a sentence. It's a bunch of fellows in your school who are keeping their eyes peeled for thistle seeds white or black."

George W. Campbell of the Y. M. C. A. college led the singing featuring a high school version of Billy Sunday's song:

Brighten the classroom where you are,
Some old cranky teacher you may cheer up hour by hour
Brighten the classroom where you are.

On the platform also were Harry Keeler, Lindblom principal, who introduced the speaker, Ray Johns, local Hi-Y director, and Mr. Phipps of the Lindblom faculty.

"Mr. Keeler certainly gave us splendid co-operation throughout the week," said Mr. Johns.

VAMPIRE CAR HITS AND HURTS BOY AND MAN

A speeding automobile, without lights and bearing no license number, struck and seriously injured a man and a boy Wednesday evening of last week as they stood in the street at Ashland ave. near Marquette rd. repairing their automobiles. The machine failed to stop after the accident but the driver made his escape before witnesses could commandeer another car and start pursuit.

The boy, who was the most seriously injured of the two, is William Keating, jr., 13 years old, 6045 Ashland ave. He was standing helping his father repair the tail light on their machine when the car struck him. After he had hit the boy, the driver of the vampire car swerved diagonally across the street and struck Frank Bastien, 21 years old, 7031 Justine st., who was at work changing a tire on his car.

Keating suffered a fractured leg, internal injuries and was severely lacerated about the face. He was taken to Dr. E. V. Perkins at 1634 W. Marquette rd. by his father and from there was removed to St. Bernard's hospital. Bastien, who suffered only bruises of the body and lacerations about the head was taken home after he had been given attention by Dr. Benjamin Z. Channon, 1001 W. 63rd st.

SULLIVAN POST HOSTS TO FIVE HUNDRED

Over five hundred legionnaires of 4th Illinois district were entertained by members of Stanley Sullivan Post, No. 746, at a joint district meeting held at Marzano's hall, 63rd st. and Kedzie ave., last Thursday night.

Among the speakers were Thomas D. Taylor, of the Chicago Heights Post, who is chairman of the 4th district, A. F. Boyle, commander of Stanley Sullivan Post; Alderman Thomas F. Byrne of the 15th ward; Assistant State's Attorney Louis P. O'Connell; Frank McGlynn, and Frank P. Sadler.

The district meetings are held monthly with one of the posts acting as host for twenty-five other posts in the district. Four acts of vaudeville and refreshments were furnished. The local legionnaires are well satisfied with their work of entertaining the members of the other district posts.

JOHN J. SLOAN OUTLINES NEW IMPROVEMENTS

Gives Facts on Widening of Ashland Ave.; New Sewer Urged

Excessive costs and the difficult nature of the project are obstacles the board of local improvements hopes to minimize when it starts work on the widening of Ashland ave. in West Englewood this fall, its president, John J. Sloan, told property owners and business men of the district in a meeting sponsored by the West Englewood Business District association Monday night at the Earle school.

Delay in starting the improvement here results from the fact that it was placed on the circuit court judges' calendar after the South Water st. widening case, which has been pending eighteen months. Mr. Sloan is making every effort to get the West Englewood stretch of Ashland ave. before a circuit court judge who will at once begin condemnation proceedings on certain pieces of land.

Buildings along Ashland ave. will be moved back to make room for the widening of the thoroughfare in about five months, after the project has left the hands of the court, according to Mr. Sloan.

Requests for reduced assessments for property owners who will benefit equally from the proposed improvement will be refused by the board unless it seems a fair request. Mr. Sloan emphasized that no favoritism will be evidenced toward any land owner in this regard.

Considerate attention will be given by the board to any person seeking adjustment for awards on buildings which must be moved back from the street line, however, he said. In some cases, it will cost more for the re-establishment of the structures than the board originally planned, due to increase in the cost of labor and materials since the property awards were first made.

Soon to Let Contracts

Contracts will soon be given out for the territory between 87th and 95th sts.

Bids will be opened April 2 for the space between 79th and 87th st. Attention of the board is now concentrated on the section of Ashland between 47th and 69th, and between 69th and 95th sts. which will materially affect the business and property owners in the West Englewood business district. Activities in the neighborhood of the Ridge to Winnemac ave. are scheduled to start soon.

Contracts are about to be let on the widening of Ashland between 31st and 35th sts. Work on the section from 39th st. to 46th st. is expected to cost considerable due to the complicated nature of the work there. One of the expensive sections of Ashland ave. will be the length south of 47th to 69th st., where many buildings will have to be entirely torn down.

Trouble with the government has been encountered on Ashland ave. north of Archer. Walls will have to be built by the city at this point. The Bridgeport pumping station also interferes with the widening of the avenue in its vicinity. A bastule bridge must be built near the B. and O. tracks in that vicinity. Less trouble is being encountered in the Madison st. neighborhood, where a slice of land, now part of Union park, will be given over to the widening of the avenue there.

Question Speaker

Individual questions were put to Mr. Sloan Monday night by property holders. One inquiry was relative to the matter of replacing sidewalks. The city will take care of that, also of the water plugs, the curbings, reblocking, drains and water shut-offs as part of the cost of the improvements which is levied as 42 percent public benefit, to be paid by the city, and as 58 percent assessment to the adjoining property for one-half mile on each side of the avenue. The assessment to the property owner will be paid in five installments inside of five years.

Assessments confirmed after February 28 of this year need not be paid in this year's taxes. Those confirmed prior to that time must be paid this year, Mr. Sloan pointed out.

Co-operation of the land owners in the vicinity was sought by the speaker, who assured his audience that the improvement of Ashland ave. would be done as economically as possible. A similar project was undertaken by the board on Western ave., between Lawrence and Devon, and a balance of $200,000 was given back to the property owners as the amount saved on the improvement through careful work by the board.

Asks Support for New Sewer

Appeal for the support of the Aberdeen sewer proposition was made by Mr. Sloan. Need for more sewers in West Englewood is seen in the fact that no sewer has been constructed in the vicinity of Halsted and Wallace sts. in thirty-seven years. Sewer accommodations are being exhausted in West Englewood due to the rapid growth of the city. Building permits are being issued, according to Mr. Sloan, in excess of 20 percent of those taken out in 1923. Statistics show that in Chicago every fifteen minutes day or night, a new structure is being started. The city with its twenty-nine railroad trunklines, 4,500 miles of city streets, eighty miles of water mains, and sixty miles of sewers is adding a city the size of Milwaukee to its population annually, thus necessitating adequate sewage facilities to safeguard the health of its inhabitants.

Present flow of sewage through the Aberdeen st. sewer amounts to two miles an hour, and the sewers frequently back up, causing damage to buildings and danger of disease. Improvements on twenty streets are being held up because 50,000 interested property owners have allowed 2,000 persons to defeat the Aberdeen project, he claimed.

The cost of building 1,700,000 feet of sewage accommodations would be $5,000,000 or $3 a front foot. The cost would be much cheaper to the householder than to the owner of business property, Mr. Sloan said. He urged the owners of property in West Englewood to start a fresh movement to get the sewer installed.

At the conclusion of his talk, Mr. Sloan was given a rising vote of thanks.

Alderman Terence F. Moran of the 16th ward spoke briefly on his efforts to get more electric lights for West Englewood. He claims the fund of $1,800,000 voted for lighting should be increased to $12,000,000. Mr. Moran urged the West Englewood Business District association to send delegations to the city hall to help push improvements for the vicinity.

Frank McGarr, president of the organization, Dr. F. H. Moore, secretary, and Henry Bergen executive secretary, urged property owners to join the West Englewood Business District association. Mr. Bergen in his capacity takes care of matters for the organization at the city hall wherever the association's co-operation is needed to obtain benefits for the vicinity. He has office hours from 9 to 11 o'clock daily in Frank McGarr's office and from 7 to 9 o'clock two nights a week.

DREXEL MEN TO HAVE HUGE PARADE SUNDAY; ANTICIPATE VICTORY

CITY-WIDE CONTEST FOR MEN'S BIBLE CLASS ATTENDANCE TO CLOSE; DREXEL IN LEAD

A huge parade of at least 100 motor cars will convey a goodly portion of the membership of Drexel Men's class to Immanuel Baptist church, 23rd and Michigan, next Sunday afternoon when presentation of the trophy offered by the Cook County Sunday School association for the class having the largest attendance. Next Sunday is the largest day of the contest.

Permission to use the boulevards for the parade was received a day or two ago by the Rev. C. C. Cox, pastor of the church, from John Bain, South Park Commissioner. The parade will start at Drexel church, 64th and Marshfield, at 2:30 o'clock, and proceed north to Garfield blvd., east to Michigan ave., and thence north on Michigan to 23rd st.

A motorcycle corps from the Chicago police force will head the parade and Sperry's orchestra will furnish music.

"We are not making any claims," said Mr. Cox. "The game is not won until every man is out next Sunday, and the class is endeavoring to make the last day of the contest a record breaking event. But with the tremendous lead we have on other classes in the city, Drexel looks like a sure winner."

Drexel has averaged an attendance of 500 since the contest started, last Sunday's attendance of 497 being the smallest that has been had. The men are "saving their breath" for a grand final finish, they say.

There will be plenty of machines to take every man attending the parade, according to those who have it in charge, therefore, any man may come whether or not he has a car. They expect to have 100 machines and 1,000 men in the parade. The paraders will meet at the church at 2:15 o'clock.

LECTURE ON BOMBAY AT SCHOOL CENTER

Stereopticon slides will be shown at the Copernicus school community center, 60th and Throop sts., Friday evening to illustrate a lecture to be given on "Bombay." The lecture is scheduled for 8 o'clock and is free to the public.

Sergeant Thomson had charge of the Daily News lecture last Friday evening at the community center, which was heard by a large number of persons. Vocal numbers were sung by Mr. Samples.

TWO ARE HURT IN STREET CAR CRASH

Two persons were injured Sunday afternoon when a northbound Kedzie ave. street car crashed into a truck at 57th st.

Mrs. Katherine Harris, 46 years old, 2856 W. 57th st., a passenger in the truck which is owned by her husband, suffered an injury to her back and John Stockpool, 47 years old, 3003 Polk st., the motorman on the car, was internally injured. Mrs. Harris was able to be taken home but Stockpool was removed to the Englewood hospital.

EXPECT TO NAME DIRECTOR SHORTLY

The South Park Commissioners held the examination for the position of director of Ogden Park, at Washington Park on Thursday, March 20. About twenty candidates took the examination. An appointment is expected to be made within ten days.

ALL SOUTHTOWN PREPARING FOR "ZERO HOUR"

Chief Justice Olson Among Theater Speakers for Scouting

Speakers appearing in local theaters, final preparations for Saturday afternoon's big parade, the mobilization of forces, both women and men for street solicitations, and arrangements for the house to house canvass are last week preparations that are being made for the "zero hour" in the Southwest District Boy Scout drive, from 5:30 to 6:30 o'clock next Saturday evening.

Following war time precedent, the Rev. R. D. Hughes, pastor of Emerald Avenue Presbyterian church, spoke before audiences at the E. A. R. and Harvard theaters Monday night. The same evening, Judge Theodore F. Ehler spoke at the Regent, and Jack Hoffman presented the Scout cause at the Lynn.

Tonight, Tuesday, Dwight McKay will speak to the Linden theater audience and Thursday evening Chief Justice Harry Olson has promised to appear at the Empress.

"Prospects look good," said Harry J. Mapp, chairman of the drive committee, "but we must have more workers for the street solicitation. It is only for one hour, and it is the least anyone can do for the cause. We're not going to tag anyone, but we want someone on every busy corner with a 'zero hour' box in order that everyone may be given a chance to contribute.

The ranks of our house to house canvassers are not yet filled either. This is a big, worth-while project that anyone ought to be proud to help with, and all Southtown should be interested in making it a success."

Those who can and will help, either as canvassers or as street solicitors, may leave their names at the office of the Englewood Business Men's association on the second floor of the Chicago City bank building, Halsted st. and Englewood ave., or call the office, Wentworth 8041.

Preceding the "zero hour" thousands of Boy Scouts will parade through the district, led by the Auburn Park Lions Boys band, the Lindblom and Englewood high school boys' bands, and others.

Thomas F. Whitehead will act as marshal of the parade and there will be a guard of honor consisting of Mr. Mapp, F. F. Hopkins, David I. Rose, M. D. Price, Dr. S. Wall, Ray Crist, Henry F. Jaeger, C. O. Rosen, William McDonnell, Edward H. Dougherty, William Peak, Judge Theodore F. Ehler, Elmer Jordan, Peter Zicterman and Harry M. Englestein.

Green and 79th sts. will be the mobilizing point for the parade. The line of march will be along Halsted from 79th to 63rd, and west on 63rd st. to Ashland ave.

Subscriptions are now being received by local banks from those who wish to make a contribution voluntarily. About one-third of the $15,000 quota has been attained.

A bobbed haired woman, riding about with three male companions in a taxicab, jumped out of the car on Hamlin ave. near 61st st. Saturday evening and snatched a purse containing $30 from Mrs. William Snyder, 3729 W. 65th pl. Mrs. Snyder was unable to give the police a description of the woman other than to say her hair was bobbed.

Hupmobile

A Good Product, and a Sound Organization

Interesting Facts About

The Hannion Auto Sales

5349-51 S. Ashland Ave. — Phone Prospect 0746

Newly appointed Hupmobile representatives in this territory

Two essentials must underlie every satisfactory major purchase you make.

One is, that the product be good; the other, that the organization which sells the product, be sound and trustworthy.

In the newly appointed firm of Hupmobile dealers, these fundamentals are joined in more than ordinary degree.

There can be no doubt of the goodness of the Hupmobile. Owners everywhere proclaim its worth.

And it speaks eloquently for the reputation of this car that it should attract to it an organization of such substantial merit.

Their aim is, to reinforce the high favor in which the Hupmobile is held throughout this territory.

They intend to accomplish this by service that is efficient, prompt, and courteous, and by a willing spirit in the giving of it.

Their business sense dictates a policy of fair, frank dealing, and of absolute satisfaction for the customer.

It is our deep and positive conviction that the relations of Hupmobile owners with our new representative will be pleasant, and permanent.

Transact Your Business With a REALTOR!

Why The Chicago Real Estate Board (Oldest and Largest) Is the Most Influential on Earth

The Chicago Real Estate Board is the Active Representative at the Bar of Public Opinion of the Home-Owner and Taxpayer. It is the most insistent agency in securing Public Improvements. Always aggressive in the promotion of enterprise which will enhance the Industrial, Commercial, Residential and Social Values possessed by the City, it has attracted into its ranks representative men of other callings who are glad of the opportunity to assist in the forward-looking work of the REALTOR through this Board.—HERBERT UNDEEN NELSON, Executive Secretary, National Association of Real Estate Boards.

The tremendous dynamic force of a small group of Chicago real estate men after organizing themselves, was further expressed in the founding of the National Association of Real Estate Boards and again when they formed the Illinois Association of Real Estate Boards. Chicago thus assumed the co-operative leadership of the world in the ethical conduct of the Real Estate business.

A glance at the following list of its former Presidents reveals names familiar to all—men who have contributed much to the growth and development of our wonderful city.

Henry C. Morey	Henry S. Dietrich	Edward M. Willoughby
Lyman Baird	Louis A. Seeberger	Callistus S. Ennis
Edmund A. Cummings	Wyllys W. Baird	George H. Taylor
William D. Kerfoot	Robert E. Ismond	Paul Steinbrecher
Henry L. Turner	Charles D. Richards	Edwin F. Getchell
George M. Bogue	Frank G. Hoyne	Albert H. Wetten
Willis G. Jackson	Edward S. Judd	Valentine H. Surghnor
Josiah L. Lombard	Dunlap Smith	Perkins B. Bass
William A. Bond	George Birkhoff Jr.	Ivan O. Ackley
Eugene H. Fishburn	Joseph Donnersberger	Adolph F. Kramer
Marvin A. Farr	John F. Wallace	L. M. Smith
Henry A. Knott	Roy B. Tabor	John R. Magill
George L. Warner	Frederick S. Oliver	Harry Goldstine

Of the above list of former Presidents, those who are now living form the ADVISORY COUNCIL to President Henry G. Zander, in his administration as President of THE CHICAGO REAL ESTATE BOARD for the year 1924.

THE CHICAGO REAL ESTATE BOARD was the first body of real estate men ever formed for the purpose of improving methods and practices and to co-operate for mutual interest. This was back in 1883, when Chicago had a population of about one-half million.

THE NATIONAL ASSOCIATION OF REAL ESTATE BOARDS originated here in Chicago twenty-four years later. On May 12, 1908, Edward S. Judd, the then President of the Chicago Board, secured the attendance of delegates from Real Estate Boards of nineteen cities to meet in Chicago and discuss their common interests. Thus in THE CHICAGO REAL ESTATE BOARD was born the National Association of Real Estate Boards, which has grown to include the Boards of over 500 cities in the United States and Canada and represents an individual membership of more than 40,000. It is probably the strongest body of business men in the world today.

ILLINOIS STATE ASSOCIATION. In 1916 THE CHICAGO REAL ESTATE BOARD assembled Real Estate men from other cities in Illinois through the efforts of Joseph K. Brittain. This was the beginning of the state organization consisting of Boards of over sixty cities and which has always had a most profound and healthful influence on Legislation affecting real estate. Every bill proposed before the last Legislature endorsed by this Board became a law, and every bill opposed by this Board failed of passage.

THE CHICAGO REAL ESTATE BOARD is one of action and not procrastination. It owes much of its influence to the fact that it has always confined its activities to its own business. The welfare of our city, particularly on its physical side, has been its chief concern. It has gone to the very heart of things—it has put things over while many have been talking them over.

1. It put the **TORRENS SYSTEM** on the Statute books in the early days.
2. In 1921 and 1923 it drew the enactments of our present **ZONING LAWS** and assisted in securing their passage.
3. It maintains an annual **"OWN YOUR HOME"** exhibition at the Coliseum to encourage our city-folk in becoming better citizens through home-ownership, and telling them how to do it. (The fourth Annual Exposition of the "Own Your Home" show will be held March 22nd to 29th, 1924, both inclusive.)
4. It maintains a **REAL ESTATE SCHOOL** where better Practices, Principles and Ethics are taught to young men about to enter the Real Estate profession. More than 500 applications for enrollment were received this year, though its capacity is only 150.
5. It has established, maintains and keeps open to the public at all times the finest **REAL ESTATE LIBRARY AND BUREAU OF INFORMATION** in the country.
6. The appraisals of its **BOARD OF VALUATORS** are accepted as the last word in the appraisal of Real Estate, amounting in 1923 to over $89,000,000.

These are some of the reasons why THE CHICAGO REAL ESTATE BOARD is recognized at home and abroad as the strongest body of business men banded together anywhere.

THE CHICAGO REAL ESTATE BOARD has a membership, in all classes, of nearly 6,000.

The Real Estate Owner, and the Professional and Business man is eligible to join one of the three following classes:

1. **SPECIAL ASSOCIATE MEMBERS.** Individuals of allied professions, such as Builders, Architects, Lawyers, Bankers, and Property Owners, Supply Men, etc. Initiation fee, $25.00. Semi-annual dues, $10.00. (Limited to 2,000.)
2. **LIFE SPECIAL ASSOCIATE MEMBERS.** Individuals eligible to the above class, who may obtain a Life Membership upon the payment of $1,000. (Unlimited.)
3. **AFFILIATED MEMBERS.** Individuals, owners of apartment and store property, outside of the Central Business District. No initiation fee. Dues, $10.00 per annum. (Unlimited.)

Complete information as to Membership will be gladly furnished by the Membership Campaign Committee, in charge of S. Charles Iversen, Suite 1018, 8 S. Dearborn St. Tel. Dearborn 3192-3-4.

A list of brokers who may lawfully use the title of REALTOR will be published shortly, but not until every deserving Real Estate man in the city (who measures up to the high standards of THE CHICAGO REAL ESTATE BOARD) has been given the opportunity to become an Active Member.

The Southtown Economist is published in three editions. The West Edition delivered every Thursday, carries the news of West Englewood, Ogden and Sherman Parks, Englewood-on-the-Hill, Marquette Manor, Marquette Park and Chicago Lawn.

The columns of the Economist are for the use of its readers. Personals, social and organization news, church notices, etc., if bearing name, address and phone of sender, will be published free of charge. Copy must reach the office not later than noon Wednesdays.

To those not in the distribution territory and unable to call at the office, the Economist will be mailed for $1.50 per year.

Next Saturday evening, between the hours of 5:30 and 6:30 o'clock, workers in the Southwest Boy Scout drive expect to do the work, and secure the co-operation of the people of the district, that will be necessary if the Southwest district is to obtain the near $10,000 still needed if the district is to furnish the $15,000 quota assigned to it for the support of Boy Scout work here during the coming year. There are two outstanding reasons why the intervening time before the "zero hour," as the campaign workers have been pleased to call it, and that sixty minute period itself, should be attended with all the seriousness and intensity and consecration of purpose characteristic of soldiers on the eve of battle.

THE ZERO HOUR

Perhaps the fact that Southwest district has been the object of the charity of other sections of the city with regard to Boy Scout work during the past few years has been overemphasized by the "four minute" speakers who have been presenting the purposes of the work before various organizations.

But what red-blooded Southtowner can contemplate the facts of the case without experiencing militant sensations? Surely we are as able to provide our boys with any worth-while activities they may need as are other sections of the city. We are not a destitute community of ineffectuals who must needs hold out grateful hands to receive alms for our boys from the Stock Yards district and other sections.

Scarcely! Rather, we are a prosperous and generous hearted group, whose past shortcomings have resulted from a lack of realization and appreciation of the circumstances, rather than any unwillingness to give the boy his due. Alive to the situation, Southtown will say, we are confident, "If our boys need Scouting, we, and not someone else, will give it to them!"

But do our boys need Scouting? The answer is the second reason for the seriousness of Saturday's "zero hour."

In every growing boy there is an innate longing for adventure. The country and small town boy has opportunity to satisfy that desire through healthful exploration of field and wood, whereas the city boy, all too often, is compelled by external circumstances to fit himself into a narrow, sing-song routine of school and a crowded home, that either stifles his initiative or drives him to seek "thrills" among the element, found on every city street, which ignores law and common decency. The Scout troop has provided a "gang" for the boy where the "good turn" has become the subject of emulation, and living the Scout code has grown to be a habit.

Juvenile court judges have remarked on the extreme rarity of cases where boy offenders have been members of Scout troops. Scouting is the one movement—the only movement, it is claimed—on which all denominations, all political parties, and all races are of one mind. It is a movement in which you, whether or not you have a boy of your own, cannot afford not to be actively interested.

For the sake of your community pride in putting Southwest district "over the top" and removing the stigma that has been attached to it in connection with Scouting work, for the sake of your own son and the son of your neighbor whom you may help to be a more upright citizen and vital factor in your country's development, you should give as much as you are able to the Scout work. Campaign workers should call upon you; if so, sign, and sign generously. If they do not, you should seek opportunity to do your part in this important work by paying a visit to your local bank and leaving a contribution with whoever has charge of the Scout fund there.

When Mayor Dever, at the beginning of his administration, propounded the general theory that it was his duty to uphold the laws of his city, state, and nation, regardless of whether or not he himself, as an individual citizen, believed in those laws, and proceeded to act upon that theory with more or less far-reaching effect, he subjected himself, it is true, to some sharp criticism. But he secured for himself a much greater amount of admiration, even among those whose personal habits and tastes were seriously inconvenienced by the enforcement of certain regulations.

WHAT IS PATRIOTISM?

Some interesting questions arise in connection with the situation. Just how many of us should feel it our duty to abide by and aid in the enforcement of laws, regardless of our own personal opinions of their fundamental rightness? Is it an attitude that only public officials can afford to take? Is it a pose for would-be reformers? Or is it one of those principles the non-observance of which by the majority will ultimately mean the undermining and overthrow of a representative form of government?

At a large service men's meeting in Southtown not so long ago the refreshments were not exactly constitutional. True, they might have been of a more virulent variety, but, although there were no tests made and there won't be, and no police raids, probably no one will dispute the fact that the percentage was not, legally speaking, right. Furthermore, there were at the meeting a large number of high school boys, present to furnish entertainment for the group.

Men who had fought, many of them had bled, to uphold the honor of our country, were managing the meeting. We would not question their patriotism in any case where they recognized a national issue was involved. An error in judgment as to just how far true patriotism should lead the individual is, at most, the extent of the accusation.

Many laws have been found, in past decades and centuries, to be defective and doubtless many regulations on our statute books today are either too rigid or not sufficiently stringent. If the majority of the people of the United States do not wish to abide by the eighteenth amendment it should be changed, but better re-make a law than break it.

If you're contemplating a move May 1, here's a little reminder that it is possible for you to materially reduce those costs of transferring your personal possessions which are so prone to eat into the profits you may derive from the move, through bettering of your circumstances or the reduction in rent. Move before April 26 or after May 3 and save 50 per cent of those costs, the Furniture, Piano Movers', and Expressmen's association has advised, and perhaps by the exercise of a little foresight and previous planning you can arrange to do so.

BE AN EARLY BIRD

It may seem unfair for the movers to boost their prices just at the time landlord and tenant have agreed is the propitious one for the annual flight. But, on the other hand, you can't expect them to keep all the year around, sufficient equipment to move over 100,000 Chicago families expeditiously and efficiently within the space of a few days. They have found the "peak load" almost impossible to handle and have varied the prices to get as many people as possible to move before or after the busiest time.

For the sake of your own convenience and your pocketbook, it might be wise to see if you couldn't make arrangements with present and future landlords to be among the "early birds."

VOTE AGAINST GRAFT AND CORRUPTION

In only one way can the voter on April 8 show his disapproval of Small's conduct in handling public funds. If you re-nominate Small, you encourage graft and corruption; if you nominate Essington and defeat Small, you discourage graft and corruption. Whether other public officials have succeeded in grafting without suffering the penalty, matters not. Their record was not made an issue. Now, that the record is made an issue in this campaign, you must vote against it, or stand up and be counted as one who encourages and

Frank Gage, President 18th Ward Republican Club

protects graft and corruption in public office.

The best way to impress public officials with the idea that they must be clean and honest, is to support the entire anti-Small ticket, as represented by the following candidates, who have our organization support:

W. W. WILSON FAVORS COOLIDGE NOMINATION

W. W. Wilson

Former Congressman W. W. Wilson of this district spent a few days in the city this week making plans for his campaign to secure the nomination as a delegate to the National Republican convention.

"President Coolidge should be nominated for president by the delegates to the Republican National Convention at Cleveland this year," said Mr. Wilson. "If I am elected as a delegate at the primaries on April 8 I will vote and work for him until nomination is made.

Mr. Wilson represented the people here in Congress from 1903 to 1921, for sixteen years, and feels he is justified in stating to his old friends that he feels President Coolidge is the greatest and most courageous man in public life.

"President Coolidge is conservative and constructive, sane and sensible, fair and fearless in all matters pertaining to our country's welfare, irrespective of his own political future," asserted Mr. Wilson, "and we need a man with his sterling honesty, his fair and fearless judgment, his untiring energy and devotion to duty, his constructive and conservative ideas, and his good, sound, wholesome Lincoln-like sense. I hope the voters will cast their ballots for me on primary day as an instructed delegate for President Coolidge."—Adv.

Mary A. Ries and her niece, Irene Ries, 6332 Paulina st., left Wednesday, March 19, on a trip through the West. They will stop at Albuquerque, N. M., the Grand Canyon, National Park, Los Angeles, and San Francisco, where they will visit her brother, Benedict. They will stop at Feather River Canyon, Salt Lake City, Colorado Springs, and expect to return early in May.

BOY DISAPPEARS, TAKES MONEY ALONG

Mrs. Catherine Casey, 1308 W. Marquette rd., reported to the Englewood police that her 12-year-old son, John, had ran away from home Monday afternoon after, she believed, he had taken valuables from the house. His mother missed a gold watch, a diamond ring, $30 and two bank books. She was unable to give the police any clue to where he may have gone. At the time of his disappearance he wore a green mackinaw. The boy is five feet tall and weighs 85 pounds.

SWANSON CANDIDATE FOR RE-NOMINATION

David I. Swanson, energetic and efficient Republican representative from the 11th district, has won wide approval by his services in the General Assembly and is a candidate for re-nomination at the Primary on April 8, 1924.

Living among the people of the district, Mr. Swanson knows their needs and he has their confidence.

He made an excellent record as a first termer at Springfield and in the legislature held several important committee assignments. He was commend for his attitude toward labor problems as well as proving to abu[illegible] their representative of commercial interests.

[illegible] member of the law firm of Erickson, Powell and Swanson, having offices at 10 S. La Salle st. Mr. Swanson also has a local office at 5000 S. Halsted st.

Because of his record of service and the type of his own character, Mr. Swanson should be renominated and [illegible] to the rest he seeks.—Ad.

David I. Swanson

McGILVRAY CANDIDATE FOR MUNICIPAL BENCH

Donald H. McGilvray of 9047 Vanderpoel ave. has [illegible] his candidacy for a position on the Municipal Court bench.

Mr. McGilvray has been a resident of Englewood and the old [illegible] ward for twenty-five years and has been actively engaged in the general practice of law during that period. He is the senior member of the firm of McGilvray, Eames, Vaughan & Tilley with offices in the Chicago Title and Trust building.

The position to which he aspires demands experienced lawyers with judicial temperament and unquestionable integrity. The Chicago Bar Association committee on candidates said of him, "He is well qualified" for the office.

Mr. McGilvray was born at Lafayette, Ill., of Scotch parentage, and has always resided in this state.

He is affiliated with several fraternal organizations, is a member of Cook County Lodge No. 240, I. O. O. F., Royal League, Loyal Order of Moose, and Masonic fraternity. Besides he has always been interested in community and civic affairs and assisted materially in many matters that have been for the betterment of the community. In his candidacy he is supported by the Deneen organization, the Better Government association and other organizations which are interested in higher efficiency in public office. His name appears twenty-eighth on the judicial ballot.—Adv.

COVENANT WINS FIRST ROUND OF C. A. A. U. MEET

Lindblom Church League Champs Swamp Schurz Knights

Covenant Baptist cagers, winners of the heavyweight title in the Lindblom division of the Church league, scored an easy victory, 30 to 13, over the Schurz Knights in the opening round of Central A. A. U. tournament at the Broadway armory Tuesday night.

Covenant led all the way and the short passing attack of Narten to Mayo had little difficulty in scoring. Narten led the scoring with seven baskets for a total of fourteen points and his mate Mayo made thirteen markers on six baskets and a free toss.

WALSH'S 19 POINTS GIVE CHAPMANS WIN

With Walsh leading the scoring with nineteen points, the Chapmans trimmed the White Arrows, 25 to 10, in the closing game of their season at the St. Luke's gym Friday.

The first quarter ended in a 7 all deadlock, Walsh being the only member of the Arrows quintet who was able to connect with the basket. For a brief minute at the opening of the second quarter the White Arrows sank a basket that gave them a two-point lead, but Walsh soon knotted the score by another ringer from the middle of the court. The Chapmans forged to the front and were ahead, 17 to 9, at half time.

ANNOUNCE PERIODS AT BOY SCOUT CAMP

Preliminary announcements have been made regarding the Boy Scout summer camp near Whitehall, Mich.

The first period, according to Southwest District Executive G. H. Schultz, will be from June 23 to July 5, the second from July 7 to July 19, third, from July 21st to August 2, fourth, from August 4 to August 16, and fifth, from August 18 to August 30.

The cost will probably be the same as last year, $13 per period, including transportation, according to Mr. Schultz. Application fee is $1 for each period, and it is being asked that reservations be turned in the district office as early as possible.

Out of the Rough

By Fred S. Clisbee

Article 9

Of all the things necessary in obtaining a smooth, powerful stroke that meets the ball squarely and sends it straight and far, the most important is the way the start of the down stroke is made.

The player who expects results from his efforts can well afford giving this part a great deal of attention. On its development most of his success will depend.

It is very common to see a player stand up well to the ball on the ad-

dress, carry the club back, executing a perfect pivot, and arrive at the top of the back swing in good position, then ruin everything by the way of starting the club on its downward journey. In most cases the deficiency is due to lack of understanding or concentration on this particular part.

With the assistance of the photograph accompanying this article, I will strive to give you a better understanding.

I had previously taken my club and arrived at the top of the swing. While in this position and looking at the ball, I drew an imaginary line running from my hands (which hold the club at a horizontal position) to the ball.

Feeling the course my hands should take in carrying on this line, I start drawing them without hurrying on this oblique plane towards the ball. The left elbow should not be bent, the left arm is held straight during the draw motion and as it comes down the right arm becomes straight.

Remember, during the entire action up to this point, the body position has remained the same in every respect as it was when the club was at the top of the swing. This is the secret of obtaining a clearly hit ball consistently. From this point on the hands continue to carry on further in this plane and in doing so the right shoulder is pulled into play as it follows the arm lead. The left knee, which was bent towards the ball, becomes straightened to its position at the start of the back swing and right knee and leg dropped with toe touching the ground.

It may seem entirely different to you, but you have actually made the same movements on this down stroke as you did on the up swing, traced the same identical arch made by the club when going up. Don't get confused on this point. Hold your position of body as it is at the top until your arms have traced far enough in this line to have the right shoulder pulled into the swing.

Next week's article will cover the hit and follow through.

FIFTY LINDBLOM GIRLS ORGANIZE GOLF CLUB

Fifty girls of Lindblom high school showed their desire to become proficient in the game of golf Tuesday by making application to join a girls' golf club being formed at the school by Miss Catherine Murphy, gym instructor.

About ten of the girls had previous experience on the links but the remainder are novices at the game. Miss Murphy will instruct the girls in the rudiments of the ancient Scotch sport on the Robey field near the school and as soon as the Jackson Park course is in condition for play the club will make a weekly trip there.

Similar clubs have been organized among the girls at Hyde Park and some of the north side schools and, according to Miss Murphy, inter-school matches will be arranged.

BOAT BUILDERS ARE MAKING PROGRESS

The boy boat builders of Ogden Park are making great progress and doing some fine work. Every Friday night a group of enthusiastic shipwrights, of ages between 12 and 15, gather at the Field house, 65th and Racine, and under the instruction of former ship's carpenters living in the neighborhood, lay keels, set masts, and plan sails. A regatta of the miniature clippers will be held on the park lagoon some time in the spring.

NORMAL CAGERS END SEASON BY NORTH PARK WIN

Poor Illumination Proves Handicap to Both Squads

Normal college closed its basketball schedule with a brilliant 20 to 10 victory over North Park college at North Park last Friday night. Both teams were somewhat handicapped, due to the poor illumination of the gym.

The first half was hard fought and little scoring was done by either team. Two baskets by Cook and a free throw by Peacock enabled Normal to hold a slim 5 to 2 lead at the half.

Normal opened the second half by setting a pace that completely upset the North Park five. Featuring the Cook, to Peacock, to Fuller combination, Normal scored six baskets which gave it a lead that was never headed.

MARINES AGAIN TRIM PARIS GARTER FIVE

The Marine A. C. basketeers ran their list of victories to seventeen by defeating the Paris Garters, 35 to 10, in a return engagement, Friday, at the Emerald Avenue Presbyterian church. The Industrial league runnersup presented a much stronger lineup than on their previous appearance but the Marines had little difficulty in winning.

The local quintet displayed an accurate short passing attack, which resulted in a number of easy baskets. Howard Dahl, an all-Chicago guard from Englewood high school, led the victors' attack with seven baskets and one free throw. One of the features of the game was the defensive play of J. Miller and M. Miller.

SIX GAMES SCHEDULED FOR NORMAL COLLEGE

Six games are on the card for the Chicago Normal college in the Northern Illinois Junior conference baseball league, according to the schedule announced last week. Play in the league will open April 19 and close June 7, but the Normal nine will not start until April 26, when they will visit Elmhurst.

This year's team will be the first baseball team ever organized at the institution. Although they can muster only twenty prospective players from the entire school, the coaches believe they have material for a strong team.

The remainder of their schedule is as follows:

April 30—Crane at Chicago Normal; May 3—Chicago Normal at Lisle; May 10—Elgin College at Chicago Normal; May 14—Medill at Chicago Normal; May 21—Chicago Normal at North Park College.

Irish Father (to promising son)—Be a good boy and study hard, Denis, and some day you may be president of the Irish Republic and have everybody in Ireland respecting your memory.—Tatler, London.

RESOLUTE HEAVIES DOWN BEVERLY BLUES

With every member of the team except one scoring, the Resolute heavies swamped the Beverly Blues, 25 to 8, on the Ryder school court Friday.

The Resolutes stepped into the lead at the opening of the game and were never headed. Schultz was the only member of the squad who failed to send the ball through the hoop but he featured with his close guarding. Regan led the scoring with two ringers and two free throws and his mates, Hanley and Robson and the Loftus brothers each were responsible for two baskets. Carrier did all the scoring for the Blues on four ringers from the court.

There Was an Old Woman Who Lived in a Shoe

The roof became leaky—the sole had worn thru,
The landlord has promised repairs all right,
But before they were made raised the rent out of sight.
This woman despaired till she heard of the way
That Fischer builds homes—and how easy to pay.
From the plans you could see just how it would look
And the cost figured out with no hook or crook.
'Twas lumber from Schenk that she used—never fret,
'Twas the finest and best she was able to get.
Now this was long years ago—she's paid every bill,
And her Fischer-built home is standing there still.

Your house will only last as long as the lumber you put into it. Schenck carries only the best grades of lumber.

GRAND OPENING

Miss Nilsson's Swedish Home Bakery

1918 W. 63rd St.

Saturday, March 29

A big guessing contest in connection with our opening with a fine prize to the winner. Come in and get acquainted.

Confidence

HOW often when one goes to buy something they have a feeling of uncertainty about the goods they are considering because they cannot get intelligent information from the one waiting on them. You will develop a feeling of confidence when dealing at a smaller shop and coming into contact with the proprietors, who know the merchandise and have your interests at heart.

Your inspection of my new spring line of coats, suits, dresses, all original models, is cordially invited, and you can be assured of courteous service and moderate prices.

Everybody's Remaking Her Home!

Never have we seen such interest in the furnishing or refurnishing of the home.

Everyone in this country seems to have concluded that the ideal home is the true basis of an ideal society.

Of course, the window is the natural starting point because everyone sees the window curtains of a home.

For that reason we have made curtain materials and drapery styles the basis of our spring

DECORATIVE FABRICS

To Give the Finishing Feminine Touch Every Home Needs

These are the fabrics that help make the home of dreams a reality. From the world's most famous looms they come—ready to add the finishing touch that makes a house a home.

New Curtains and Nets

The new Quaker Oxford Cross nets and curtains are very decorative. In plain ecru or with dainty colored figures. See them before making fall selections.

The curtains are $6.50 each.

Sunshine Curtain Nets

Just see them—and you'll know why they named them Quaker "Sunshine." Flashes of yellow intermingle with the ecru and fascinate you with their daintiness.

The curtains are $8.50 each. All trimmed with fringe.

Quaker Colonial Filet Net

(Sun-proof and Tub-proof)

Here is a curtaining colonial in spirit yet meeting the requirements of the modern window. Its filet net-ground was chosen because filet presents both simplicity and serviceability, typically colonial virtues. Into this ground are introduced characteristic colonial patterns and colorings. At $7.00 each.

Quaker Tuscan Net

A Multithread Filet

The multi-thread construction and large mesh filet gives Tuscan Net a decorative quality that makes it unrivaled for rooms with a severe or mannish touch in furnishings or decorations. At $6.00 each.
